HP Pavilion 500-141ea Desktop PC

With convenient expandability options, the HP Pavilion 500 is the versatile PC that grows as your needs do. With a sharp, modern design, it fits seamlessly anywhere you put it. Top that off with powerful performance, strong graphics, and generous storage, and you've found your ideal PC.

HP recommends Windows.

The all-around perfect fit

Compliment any room and save space at the same time with the HP Pavilion 500. From good looks, to great sound and easy sharing, this PC helps make daily tasks enjoyable.

Proven and powerful.

Choose the latest Intel or AMD processors and multitask across more programs—including your favorite immersive games, HD[1] videos, and photo editing software.

Ideal for every day computing

Meet your technology needs now, and on future creative projects. The HP Pavilion 500 lets you customize your essentials as you go.

HP Connected Music.

Embedded Software that allows consumers to access the Universal Music Catalogue for 1 year for free and a chance to win concert tickets, meets and greets with artists and exclusive concerts[2].

[1] High-definition (HD) content required to view HD images.; [2] Offer available on HP consumer PCs with Windows 8. Streaming option is free for 365 days from first day of the registration. Registration deadline: December 31st 2013.
